

Sample Constitution/Bylaws Packet

The CB Northwest Sample Constitution/Bylaws Packet Contains the following items:

- Sample Constitution and Bylaws, with Attachments
- A Signable Copy of the Church Covenant
- A Word Study

These samples are intended to be used as samples. They should be adjusted as needed to fit the unique needs and situation of each local church. Some items have been stated to comply with Idaho and Oregon state laws. If your church is in a different state you should contact your state to determine your own state laws.

Electronic copies of these documents are available at www.cbnw.org. The name of the church through out the sample is “FirstChurch”. The city and state are “ThisCity” and “ThisState” respectively. This has been done to allow for an easy find and replace in a word processor.

CB Northwest is available to help you in the process of updating your constitution and/or bylaws, as well as attachments. For more information, or questions about the contents of this packet, please contact our office at cbnw@cbnw.org, or 503-669-1515.
