

ARE YOU A DOER OF THE WORD?

M E N S E Q U I P P I N G R E T R E A T

If you are looking to get a next step of training to help you reach your neighbor for Christ, then the Men's Equipping Retreat is for you. This Roundup-sponsored event is designed to continue the ministry priorities of Roundup in a smaller group setting that is aimed at surfacing and training leaders. Solid biblical teaching and directed opportunities to work those truths into your church context will have great benefit toward accomplishing our mission. Get together with the men you are serving with and make this a strategic time of instruction, planning and equipping for the work that God has set before you.
