Lodging

Camp Tadmor is a rustic, mountaintop facility. Please keep this in mind as you travel the roads and trails. Cabin space is limited. Basic tent and RV spaces are available in the Forum Field, Camping Loop, and Meadow Ridge. Camping spaces, along with the limited RV hookups, are available on a first come, first served basis.

Recreation

During recreation times, you can enjoy swimming in Camp Tadmor's lake, canoeing, ping pong, sand volleyball, the giant swing, disc golf, hiking trails, and crafts which will be stationed at Meadow Ridge. Make sure to bring sturdy shoes for these various activities. Lawn games will be available at lakeside.

Glamping

Glamping brings the luxury of everyday life to the campground. Spacious tents filled with oversized air mattresses and connected by cafe lights make the glamp-site feel so welcoming and homey. It's a great way to sleep under the stars with friends and still get to shower! Who wouldn't want to bond with ladies from their church over a warm campfire just steps away from home for the weekend?

Consider glamping as a lodging option this year for you and your group! Tents, mattresses, and ambiance provided. You bring your own bedding and necessities.

To promote a healthy community this weekend as we live in close proximity, please consider the following:

- This is an event designed for women high school age and older.
- Mothers are welcome to bring babies under one year old.
- Smoking is allowed in designated smoking areas only.
- Shuttles are available around camp to aid those with difficulty walking the campgrounds.
- RVs/Campers should be self-contained as sites with electrical and water hookups are limited.
- Camp Tadmor has a camp store offering snacks, beverages, and merchandise.
- Services like fuel, grocery stores, and a hospital are 20 miles away.
- Cedar Creek Coffee Shop is on-site and offers a full-service espresso bar.
- Cell phone service is limited. Emergency messages may be left at 541-401-8311.
- Don't forget to bring your friends to the Craft Station! Crafts will have additional costs for materials.
- Costumes encouraged for activities but not required.

Unfettered

FROM FEAR TO FREEDOM

JULY 13-15, 2018 - CAMP TADMOR, LEBANON, OREGON

Consider the things you are afraid of, those things that heighten your anxiety, that set your voice on edge. Think of those attributes that cause you to compare yourself to others, and make you wonder if you're enough, or maybe you're just too much. Let all of it fade away, and remember why Jesus came to this earth. Jesus died and rose from the grave, conquering death itself, so we may live life to the full. Are you living a full, unfettered life?

What would your life be like if you truly believed you are unfettered, and free, through the transforming work of Jesus? How would that truth change your relationships, your interactions, your decisions? Those of us who know Jesus, have been renewed. We are new creations. The old is gone. And yet, we so often choose to live imprisoned, fearful lives.

"So, all of us who have had that veil removed can see and reflect the glory of the Lord. And the Lord—who is the Spirit—makes us more and more like him as we are changed into his glorious image." - 2 Corinthians 3:18 NLT

We are not here to create our own light, or to reflect the glory of others. We were created to be continually transformed while we reflect the glorious image of God! The veil has already been removed for so many of us. Don't pull it over your eyes again! Don't live in darkness when you are surrounded by light. If it hasn't been removed, know that only glorious beauty and freedom await you. Jesus never said life would be easy, life is hard at times. Through the hard times, and the good, we have the choice to let God transform us in all our experiences. We don't have to be bound by life's adversities. Let us come together for Women's Camp 2018 and challenge each other to live our best, unfettered lives for the glory of God.
